ARRIVE. EXHALE. UNWIND.

Nestled within 790 acres in Parkland, known as the “Relaxed City,” Parkland Golf & Country Club offers a distinctive blend of active recreation and everyday convenience. The 18-hole, par-72 golf course—originally designed by Greg Norman and enhanced by renowned architect Greg Letsche in 2024—serves as a signature feature of the community.

In 2024, we completed nearly \$25 million in renovations, enhancing every aspect of the Club. Our upgraded golf course is just the beginning. The Club now features a state-of-the-art wellness complex with luxury fitness amenities and a spa, The Park Restaurant, and the Kid’s Cove Activity Center. These additions complement our Racquets Center—home to 10 tennis courts and 6 pickleball courts—two resort-style pools with alfresco dining at Capri, and beautifully landscaped grounds with tranquil water elements and serene garden spaces throughout the property.

At Parkland Golf & Country Club, we take pride in building on our strong reputation, offering unparalleled value within the tri-county area of South Florida. But our Club is more than just a collection of world-class facilities. It's a lifestyle—a perfect balance of style, convenience, and community. Here, you'll find a tight-knit neighborhood marked by active living, shared experiences, and a wealth of amenities that cater to every interest.

We are thrilled to welcome you to our Club, where every day is an opportunity to enjoy the best that life has to offer.
